Date: 12th June 2022

I am writing this reference at the request of **Mr. MOHAMED ALI AL FAIFY** (Stu_Id: 201711962) who is applying for the job of software developer. I have known him for three years in my capacity as a teacher at level 8. He studied e-business from me and earned superior grade in this course.

MOHAMED ALI AL FAIFY is one of the most sincere, hardworking and dedicated students of the batch. He has impressed me with his curious mind and innovative ability to comprehend, analyze and assimilate various computing concepts. His ability to grasp things conceptually and implement them practically is notable.

Based on his grades, attendance, class participation and his personality, I'd rate him as follows:
